Site Investigation Report Schedule Modification, J.H. Baxter & Co. Arlington Facility

§ 7003 Administrative Order on Consent (AOC)

Docket No.: RCRA-10-2001-0086 EPA ID No.: WAD 05382 3019

Dear Ms. Thomas:

The Environmental Protection Agency (EPA) agrees to J.H. Baxter's proposal, dated November 19, 2004, to submit the complete Draft Site Investigation Report on or before March 31, 2005. The Parties also agree to omit submission of the annual submittal of the Stand Alone Data Document (SADD) for this year only; the SADD shall be submitted next year and in subsequent years until the Parties modify the AOC and terminate the requirement. The Draft Site Investigation Report shall be written in accordance with the AOC and the EPA-approved Site Investigation Workplan. All data collected at the facility through December 31, 2004, shall be included in the Draft Site Investigation Report.

Please have the appropriate representative authorized to enter into this modification and to bind J.H. Baxter to this modification of the AOC sign the enclosed modification. If you have any questions please contact me at or (206) 553-6702 or at palumbo.jan@epa.gov if you have any questions.

Sincerely

Jan Palumbo

MODIFICATION

RCRA Section 7003 Administrative Order on Consent (AOC) Docket No.: RCRA-10-2001-0086

J.H. Baxter & Co. Arlington Facility, EPA ID No.: WAD 05382 3019 Site Investigation Report Schedule Modification

By the signature of both parties below, the Environmental Protection Agency (EPA) and J.H. Baxter ("the Parties") hereby modify the AOC to incorporate J.H. Baxter's proposal, dated November 19, 2004, to submit the complete Draft Site Investigation Report on or before March 31, 2005. The Parties also agree to omit submission of the annual submittal of the Stand Alone Data Document (SADD) for this year only; the SADD shall be submitted next year and in subsequent years until the Parties modify the AOC and terminate the requirement. The Draft Site Investigation Report shall be written in accordance with the AOC and the EPA-approved Site Investigation Workplan. All data collected at the facility through December 31, 2004, shall be included in the Draft Site Investigation Report.

The undersigned representative of Respondent certifies that she is fully authorized to enter into the terms and conditions of this Order and to bind the party she represents to this document.
